

Cellular Communication Declaration of Conformity

Manufacturer: Sigenenergy Technology Co., Ltd.

Address: Building12-2, 678 Yungqiao Road, China (Shanghai) Pilot Free Trade Zone, Pudong New Area, Shanghai, China

Sigenenergy declares the following:

We, Sigenenergy (Sigenenergy Technology Co., Ltd.), as the legal manufacturer of the Sigen Hybrid Inverter, hereby issue this official manufacturer's declaration to clarify the scope of cellular (4G) communication functionality.

Sigen Hybrid Inverter as manufactured and shipped from the factory, **does NOT integrate a cellular (4G) communication** in the inverter main body / enclosure. The inverter can be connected to SigenCloud via FE cable in general. Optionally, a separate 4G communication device can be purchased for cloud access.

The declaration shall apply to the models listed below:

- Sigen PV 50/60/80/100/110/125M1-HYB
- Sigen PV 50/60/80/100/110/125M1-HYA

This declaration of conformity is issued under the responsibility of the:
