Address of the contact person for return delivery

Claims apply exclusively to goods distributed by SOLSOL s.r.o. and may be filed by its direct customers, installation companies and self-employed technicians with appropriate professional qualifications. Those who are not direct customers of SOLSOL must state their company ID (registration number) when filing a claim.

For claims concerning AEG or GoodWe technology, the manufacturer's claim form must also be attached! The forms can be downloaded here. For claims concerning Growatt technology, you may later be asked to fill in a Replacement Claim.
